

The background of the entire page is a collage of various university buildings and landscapes. In the top left, there's a tall, ornate clock tower. Below it, a large, domed university building with multiple domes and arched windows. To the right, a modern building with a glass facade and red vertical accents. Below that, a brick building with many windows and a clock tower. In the bottom right, a modern building with a grid-like facade. A large, dark red arrow with a white outline points from the left towards the right, passing through the center of the collage.

ABOUT NCUK

We are a consortium of leading universities, dedicated to giving international students access to universities worldwide and helping students succeed when they get there.

Our qualifications are designed by our universities, taught by our global network of Study Centres, and studied by students aspiring to get into some of the top universities in the world.

We offer a range of qualifications to suit international students of all levels including pre-university, undergraduate and postgraduate pathway programmes.

Passing an NCUK qualification guarantees you a place at one of our universities, enabling you to access thousands of degree courses.

Secure your place at a world-class university!

NCUK. YOUR BEST ROUTE TO UNIVERSITY

Since 1987, we have helped over **35,000** international students gain access to leading universities

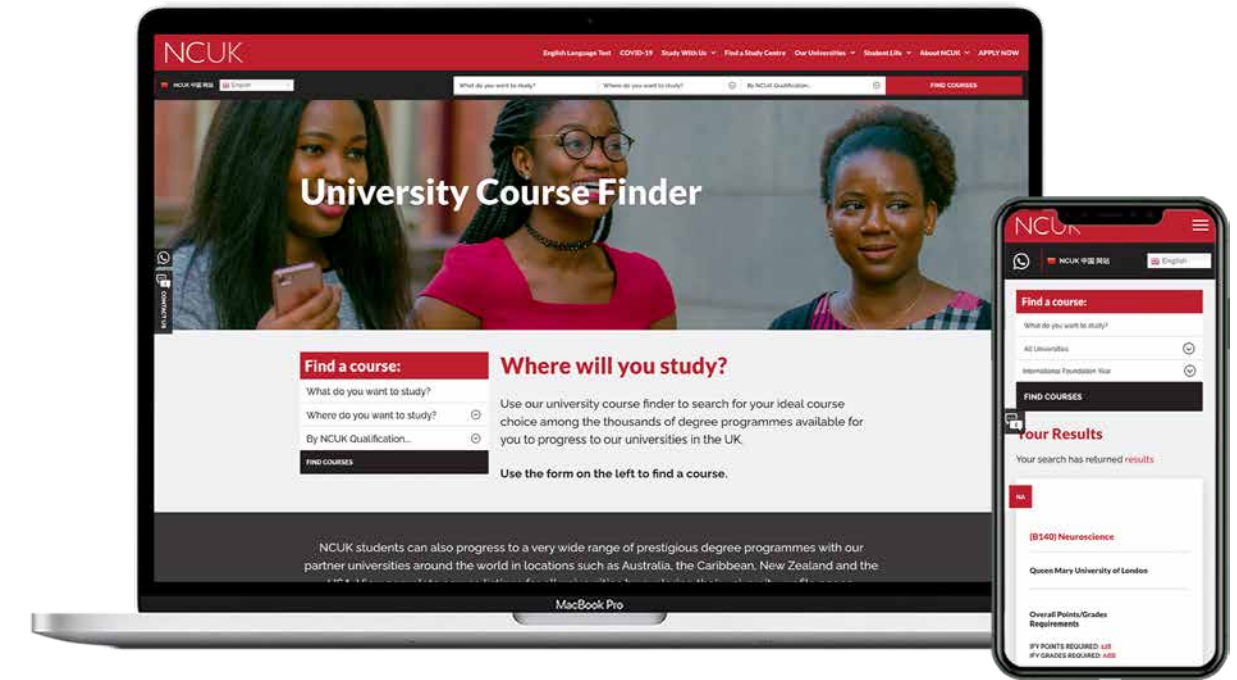

80%
of NCUK students achieve a first or second-class degree at university

90%
of NCUK students get into their first-choice university

99%
visa success rate for students

WHAT CAN I STUDY AT UNIVERSITY?

Studying with NCUK gives you the option to **choose from thousands of degree courses** at our universities in a wide range of subject areas:

Find your perfect degree with our University Course Finder

To help you find the most suitable degree course we have developed a unique tool which allows you to search through all of the degree courses available at our universities. Our University Course Finder is the perfect tool to help you find the right degree for you.

Try it for yourself, visit our website and see what options are available for you:

www.ncuk.ac.uk/ncuk-qualifications/ncuk-entry-directory

Students can also progress to a very wide range of prestigious degree programmes at NCUK Universities in the UK, Australia, New Zealand, Canada, USA and many more international destinations. You can view complete course listings for all universities by exploring the universities profile pages.

Top Tip: NCUK's University Course Finder displays information provided to us by our universities; to ensure the most up-to-date information, we recommend that you check the requirements on the university website.

WE'LL HELP YOU

University of Birmingham

For over a century, research and innovation at the University of Birmingham has pushed boundaries in making an impact on people’s lives. The university continues to break new ground, and has ambitions to embed the work and recognition of the university on an international stage.

Why choose the University of Birmingham?

- ✓ Birmingham’s 250-acre campus, listed in the top ten most beautiful universities in Britain by The Telegraph, provides a safe, friendly environment with outstanding facilities including cafes, restaurants, shops, barber shops and hair salons, a sports centre, 3 banks, 10 different libraries, the Barber Institute of Fine Arts, the Lapworth Museum of Geology and the Winterbourne botanic garden.
- ✓ The university is one of the founding members of the world-famous Russell Group of the UK’s major research-led universities.
- ✓ One of the largest universities in the UK with over 10,000 international students, from more than 150 countries, as part of its 34,000 student population.

NCUK Progression to the University of Birmingham:

- IFY** International Foundation Year (IFY)
- IYONE** International Year One (IYOne)
- PMP** Master’s Preparation (PMP)

Birmingham is a city that showcases England’s history at its finest, being the home to many Industrial Revolution era landmarks going back to the 18th century. The city celebrates all nationalities and religions, and is the youngest city in Europe, with 40% of its population being under 25 years of age.

Did you know the University of Birmingham has a campus in Dubai?
Go to page 126 to find out more!

“I chose to study at the University of Birmingham due to factors such as its campus, accommodation and the beautiful city centre. The environment that I studied in was extremely important for me. Also, the Business School is prestigious and well-qualified.”

Yuming Zeng

London, as the top tourist location in the UK has many places to visit, such as the London Eye and Buckingham Palace. Other famous landmarks are located around the city such as Big Ben, the Tower of London and the River Thames. Studying in London will be a great way for you to connect with new friends and tour the city together!

Cardiff University

Founded in 1883, Cardiff University attracts more than 8,600 international students from across the globe each year. Combining a prestigious and traditional heritage with impressive modern facilities, Cardiff University is proud to be a member of the elite Russell Group, which brings together the UK's top research-led universities.

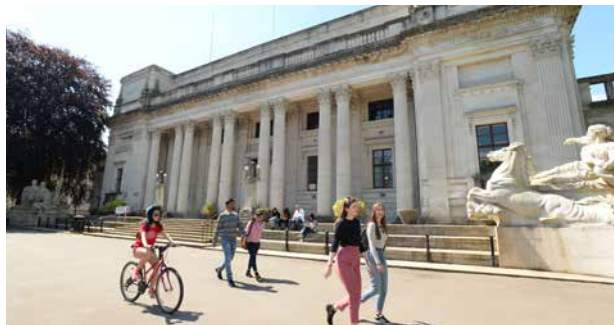

The university's dynamic and innovative approach to higher education places it among the world's top 50 elite institutions in many subjects. Its dedicated Careers and Enjoyability service helps students to develop the transferable skills they need to shine in today's competitive environment.

Why choose Cardiff University?

- ✓ Cardiff University's Students' Union was voted 3rd best in the UK thanks to an excellent choice of welcoming societies and sports clubs, fantastic facilities, and a great selection of events throughout the year (WUSCA, 2020).
- ✓ Guaranteed accommodation in university residences for international students.
- ✓ Cardiff is one of the most affordable UK university cities. In 2020, Cardiff had the second lowest average rental costs for students (NatWest Student Living Index 2020).
- ✓ Cardiff graduates are in demand- 96% of graduates enter employment, further study or both shortly after graduating (HESA DLHE, 2016/17).
- ✓ Become part of our 175,000-strong global alumni community who thrive as leaders in their fields and make a difference in the world as part of #TeamCardiff.

NCUK Progression to Cardiff University:

IFY International Foundation Year (IFY)

Cardiff is the compact, friendly capital city of Wales. The seamless integration of tradition, history and progress means that you will constantly be surprised by what you find; from classic Edwardian and Victorian shopping arcades opening onto a modern shopping centre, to the 2,000 year old castle nestled between open green spaces, the bustling city centre and our classic University buildings. Easy access to beaches and national parks, combined with affordable living costs and excellent transport links make Cardiff an easy choice for an outstanding student experience.

Awards and Achievements

University of Central Lancashire (UCLan)

Founded in 1828 as the Institution for the Diffusion of Knowledge, the University of Central Lancashire (UCLan) is an international, multi-campus university leading the way in modern learning. Today we're one of the UK's largest universities, offering an employment-focused course portfolio with over 300 undergraduate programmes and more than 200 postgraduate courses.

Internationally the university now enrolls students from more than 100 countries and has partnerships with 125 institutions from across the globe. The university has an established research reputation with world-leading or internationally excellent work taking place within the areas of business, health, humanities and science. Undergraduate medicine is also being delivered in one of the UK's most modern and inclusive medical schools.

Why choose UCLan?

- ✓ The university has dedicated teams to help with every aspect of student life, from study skills and exam preparation to career planning. They offer expert advice and support with financial matters, health and wellbeing, inclusive support, visas and much more.
- ✓ We've recently invested £200m in transforming our Preston Campus, giving you access to excellent teaching facilities in bright, modern surroundings. A new Student Centre, opening in 2021, will look out over our new civic square.
- ✓ Graduates of UCLan benefit from the university's close industry links with over 1,000 leading employers offering invaluable work experience opportunities.
- ✓ On the world stage, our research teams work collaboratively with major international organisations, from the United Nations and the World Health Organisation to the European Space Agency and NASA.

NCUK Progression to University of Central Lancashire (UCLan):

- IFY International Foundation Year (IFY)
- PMP Master's Preparation (PMP)

Awards and Achievements

UCLan is ranked **70th** out of **130** institutions

Preston is a small city with a big personality that has grown in stature in the last few years. As well as being home to a community of 30,000 students, Preston North End football club (currently playing in the Championship) is also based in the city. A 30-minute journey by train from Preston railway station will bring you to the spectacular Lake District, England's largest National Park.

PHOTOGRAPH CREDITED TO RICK WYLIE*

University of Exeter

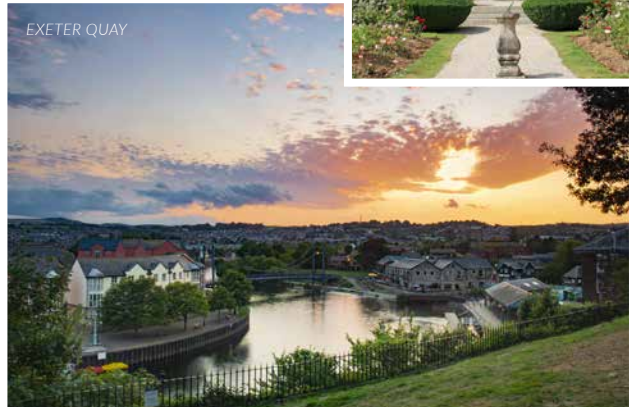

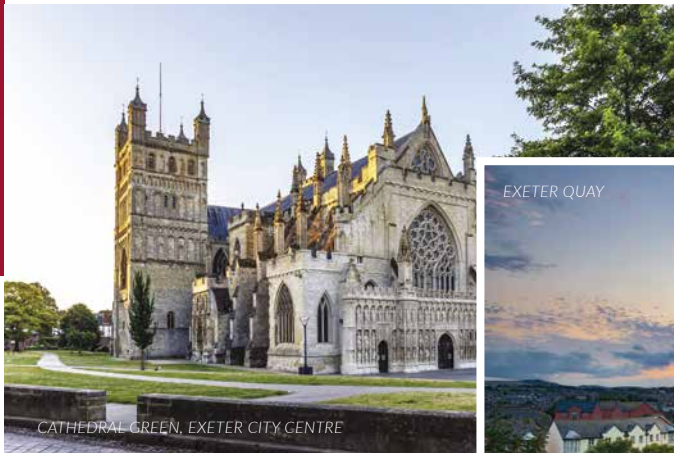

Home of world-class research, teaching and facilities, the University of Exeter is one of the top universities in the world. At present more than 5,000 students from 140 countries outside the UK contribute to a thriving international community across the university's beautiful, safe campuses located in Exeter and Cornwall. A member of the Russell Group of leading research-intensive universities, Exeter's success is built on a strong partnership with students and a clear focus on high performance.

Why choose the University of Exeter?

- ✓ 98% of the university's research is of international quality, with 82% rated world-leading or internationally excellent (Research Exercise Framework 2014).
- ✓ 95% of graduates in employment or further study six months after graduation (DHLE Survey 2015/16).
- ✓ The University of Exeter has won Green Flag Awards for its picturesque and eco-friendly campuses.
- ✓ Exeter's support staff are on hand to support students throughout their degree, from their Wellbeing and Disability Service, to support for care leavers, mature and estranged students.

NCUK Progression to the University of Exeter:

- IFY International Foundation Year (IFY)
- PMP Master's Preparation (PMP)

Just 16 kilometres away from the beaches of east Devon, Exeter is a historical city that dates back to Roman times. Famous for its stunning cathedral and underground passages, Exeter is also home to one of the top universities in the world, making it the perfect destination to become an international student.

Awards and Achievements

Voted **Top 10** for Student Experience

(Times Higher Education Student Experience Survey 2018)

Rated 5 Stars in the 2018 QS Stars ratings

MPharm Pharmacy at the University of Huddersfield

Keele University

Founded in 1949, Keele values their excellence in teaching as highly as their global research. Alongside outstanding teaching facilities such as the David Attenborough Laboratories and Keele Business School, Keele campus also provides student accommodation, highly rated library facilities, restaurant and cafes, a students' union, shops, sports centre, pharmacy, health centre and hotel all on campus to give its students a complete self-contained, safe and secure study and leisure environment.

Why choose Keele University?

- ✓ Keele has been recognised as a gold-rated university by the Teaching Excellence Framework (TEF 2017) and is in the TEF UK Top 10 (Times Higher Education 2018).
- ✓ Consistently ranked in the top 3 in England for overall student satisfaction (NSS 2014-2019 broad-based universities).
- ✓ 96% of Keele graduates were in a job or further study six months after graduation (DLHE, 2017).
- ✓ 97% of Keele's research is world leading, or of international importance (Research Excellence Framework 2014).
- ✓ Keele guarantees on-campus accommodation for all international students (who apply by 30 June) with the option to live on campus for the duration of your course.
- ✓ Keele has a global community with a student body that represents over 120 different nationalities.

TRENTHAM

ALTON TOWERS

Centrally located in England, Keele is in North Staffordshire, less than an hour away from Manchester and Birmingham and only 90 minutes from London by train. Keele has the largest single-site campus in the UK with over 600 acres of beautiful countryside. You can enjoy the benefits of both a campus community along with the exciting town and city life of Newcastle-under-Lyme and Stoke-on-Trent. With so much on offer locally such as Alton Towers Theme Park, Trentham Monkey Forest, theatres and shopping, you'll be spoilt for choice!

"The lecturers were very supportive throughout my learning at Keele. They have a personal tutor system where I could get feedback on my essays and guidance on any questions I had. Moreover, the hands-on practical sessions ensured that we got the opportunity to practice manual therapy. All of which helped me to become a confident Physio now at my workplace."

Kent

The University of Kent is one of the UK's leading universities and attracts many NCUK students each year. The university provides students with outstanding teaching, world-leading research, stunning study locations and a superb student experience. Kent also offers a wide range of foundation, undergraduate and postgraduate degrees, exciting study abroad and year in industry opportunities, and a generous scholarship fund including awards for academic, musical and sporting excellence.

Why choose the University of Kent?

- ✓ The university was recognised as a gold-rated university by the Teaching Excellence Framework. (TEF)
- ✓ £80 million invested in campus development, allowing students to access some of the best facilities in the country.
- ✓ More than 80 international student societies are currently active on campus.
- ✓ Many courses give successful graduates professional body accreditation and 70% of students receive a professional qualification alongside their studies.
- ✓ Students have access to internships and work experience options during their studies.

NCUK Progression to the University of Kent:

- IFY** International Foundation Year (IFY)
- IYONE** International Year One (IYOne)
- PMP** Master's Preparation (PMP)

Awards and Achievements

95% of graduates from the University of Kent go on to a graduate level job or further study within six months (DLHE 2017)

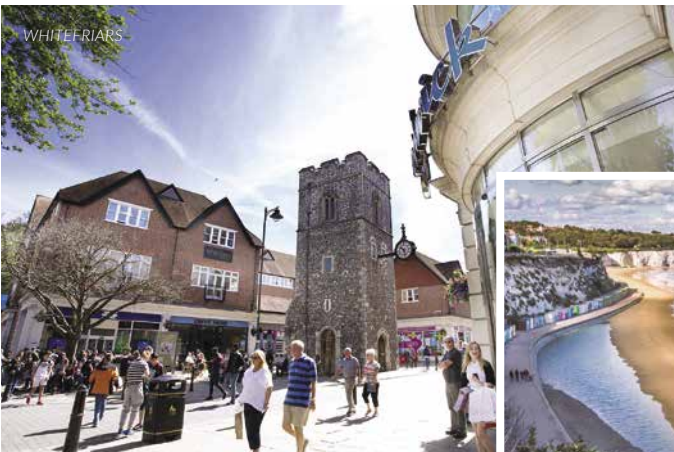

Ranked in the **Top 20** for research output and research intensity (Research Excellence Framework 2014)

The university's outstanding teaching was **rated gold** in the Teaching Excellence Framework in 2017

Kent is in the **top 400** in the Times Higher World University Rankings (2021)

Beyond the sea-fronts of Kent you'll find a fragrant landscape of gentle hills, fertile farmland, cultivated country estates and fruit-laden orchards. It could also be described as the beer garden of England as it produces the world-renowned Kent hops and some of the country's finest ales and wines from its numerous vineyards. At the heart of the county is the spellbinding city of Canterbury.

Did you know the University of Kent has campuses in Belgium and France?

The medieval city of Lancaster is considered a commercial and cultural centre, the perfect study destination for those who are looking for not only the best educational quality, but also a welcoming place to live. The city is just over two hours from London and over an hour from Manchester, Liverpool and Leeds.

University of Leeds

Established in 1904, the University of Leeds is one of the UK's largest universities, world famous for its teaching and research and located in the heart of a vibrant, affordable, and student-friendly city. The University of Leeds, which is a member of the prestigious Russell Group, has a student population of over 38,000 students from over 170 different countries.

Why choose the University of Leeds?

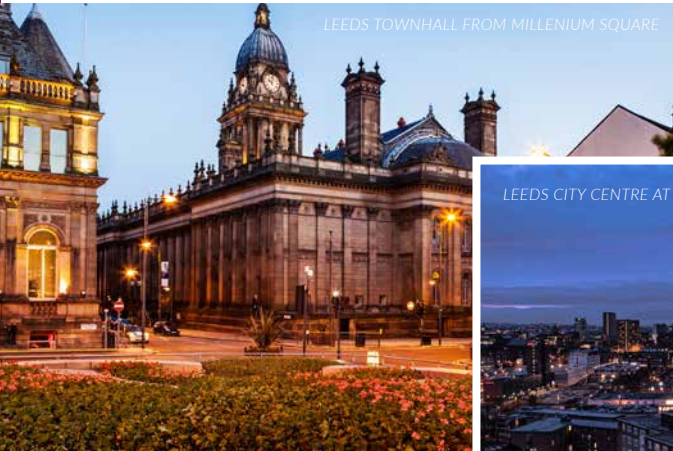

- ✓ Over £520 million committed to a transformative campus development programme.
- ✓ Accommodation is guaranteed for international students, for the whole duration of their course (providing all application deadlines are met).
- ✓ The campus is a ten-minute walk from Leeds city centre, the 3rd biggest city in the UK.
- ✓ The students' union is one of the best in the country with more than 300 clubs and societies.
- ✓ 4 libraries on campus with a wide range of online materials available via the award-winning Virtual Learning Environment.

NCUK Progression to the University of Leeds:

- IFY** International Foundation Year (IFY)
- IYONE** International Year One (IYOne)
- PMP** Master's Preparation (PMP)

Students can enjoy both the classic and modern elements in and around the city of Leeds. It is home to some beautiful countryside and a busy city centre where students can find many independent venues including cafes, bars, restaurants, and shops which collectively makes for a fantastic and unique experience.

"I chose the University of Leeds because of the study atmosphere and environment. It's a very beautiful campus and there are lots of students here who are all kind to everyone. And the city centre is close to the campus, so it's convenient to buy goods."

Queen Mary University of London

Queen Mary is a truly global university, with five campuses in London but also sites in China, Malta and Paris. The university, ranked 12th in the UK and 110th in the world (THE 2020) offers undergraduate and postgraduate degrees across the full disciplinary spectrum, including in subjects that you don't always find at a Russell Group university.

Why choose Queen Mary University of London?

- ✓ The university has partnerships with major industrial firms including Pfizer, IBM, and Huawei.
- ✓ Queen Mary University of London provides a range of affordable accommodation options around their campuses in Mile End, Whitechapel and Charterhouse Square.
- ✓ Latest campus developments include work on a state-of-the art Graduate Centre which will include a 200 seat lecture theatre, seminar rooms, student enterprise hub, office space over 7,700 square metres and 24 hour work areas.
- ✓ Queen Mary University of London is a member of the prestigious Russell Group, a group of leading UK universities.

NCUK Progression to Queen Mary University of London:

- IFY International Foundation Year (IFY)
- PMP Master's Preparation (PMP)

As the capital city of England, London is a bustling study location that enables students to embrace the city lifestyle whilst being able to easily travel to other locations across the United Kingdom. Students in London have lots of options when not studying and can visit the Natural History Museum, relax in Hyde Park and travel to other areas of the city via bus or the tube.

Did you know that Queen Mary University of London has campuses in Malta and France?

Go to pages 124-125 to find out more!

"I always wanted to study mathematics and chose Queen Mary University of London because of London's history and diversity. My university experience so far has been amazing, I've managed to stay connected to my culture in the UK by joining the Pakistan society at the university."

Robert Gordon University

Robert Gordon University (RGU) is recognised regionally and internationally for their teaching excellence, close links with industry, impactful research and top graduate employability record.

The university's history of preparing students for the world of work dates back to the 17th century, when Robert Gordon had a vision to provide all young people with an education. It is this vision to constantly create a better and brighter future for their students and the world around, which is still embraced today.

Why choose Robert Gordon University?

- ✓ The university holds career fairs for students throughout the year, as well as a part-time jobs fair to help students who would like to work while studying.
- ✓ The RGU's Innovation and Entrepreneurship hub funds start-up companies through the accelerator programme. The programme takes up to 30 new teams each year, and these teams will receive initial funding for their start-ups of up to £10,000. This is open to students, staff and alumni of RGU.
- ✓ The university has many on-site services for students to access during their time at RGU and after graduation. This includes a careers centre, disability and dyslexia centre, childcare nursery, student counselling and wellbeing services, a study skills and access centre. Students can also visit the student help point if they want any other information.

University of Salford

Salford is internationally recognised as one of the most innovative and business-engaged institutions in the UK. Owing to this, Salford is a popular choice for NCUK students. Specialising in delivering industry-focused degrees, the University of Salford works closely with businesses and employers to ensure that its courses are relevant to the real world.

Why choose the University of Salford?

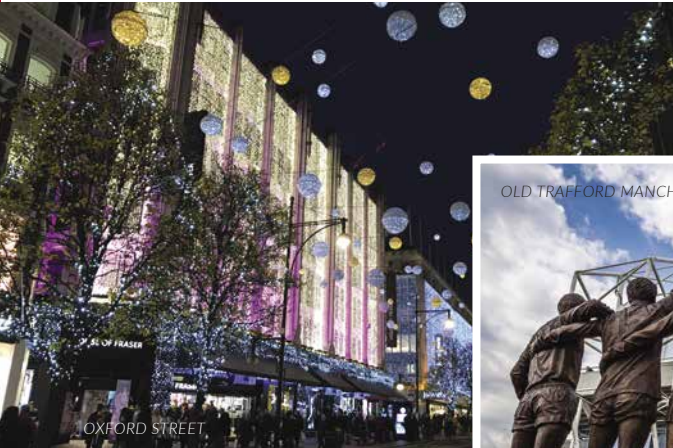

- ✓ The campus is home to a total student body of 18,000 students, including over 3,000 international students from over 150 countries worldwide.
- ✓ The university has a strong partnership and presence with MediaCityUK, an industry-leading facility which also houses 200 digital companies and a broadcasting hub for the BBC and ITV.
- ✓ It is a “green” campus located only 1.5km from Manchester city centre.
- ✓ The nearby campus train station links directly to Manchester International Airport as well as other popular UK destinations.
- ✓ Its internationally renowned academic staff deliver first class teaching.
- ✓ Excellent careers support and development opportunities during and after study.

Sheffield is in the midst of rural England, with the surrounding areas featuring many landmark destinations such as the Peak District National Park, Stanage Edge and Peak Cavern. This scenic city in the North of England is a wonderful place to study with over 60,000 students living there.

“I have been enjoying my university life so far and I have also been quite busy with my projects. The university campus is large so there is somewhere new to visit every day.”

Hadi Jawad Mohamed Alaali
NCUK International Foundation Year
BSc (Hons) Landscape Architecture at The University of Sheffield

Sheffield Hallam boasts a friendly diverse community comprised of students and staff from more than 113 countries around the world.

Why choose Sheffield Hallam University?

- ✓ Over £100m invested over the last five years into creating spaces that are innovative, flexible, safe and sustainable. This includes the £9m Head Post Office building, home to the Department of Art and Design and the £6m internationally renowned Materials and Engineering Research Institute, with a further £220m due to be invested in the next five years.
- ✓ One of the UK's largest providers of health and social care courses!
- ✓ Accommodation is guaranteed to all international students for their first year of university studies.
- ✓ Sheffield Hallam is strongly connected to businesses and every student has the chance to apply their learning through a placement, internship or consultancy project.
- ✓ A dedicated specialist team, supporting international students throughout their time at Sheffield Hallam including academic performance, careers and welfare.

In Sheffield students can get the best of both worlds, by living their day to day lives in the busy centre whilst also taking breaks and trips to enjoy the green countryside. This means that students can decide on what study/living experience they would like as there are many things to do to keep themselves busy as well as lots of areas to relax.

“I’m enjoying my experience at university. During induction week, there were lots of staff and events that helped me to settle in. There is also tutor and student support which helps me with any problems that I have at university.”

University of New South Wales

The University of New South Wales (UNSW) is committed to helping students achieve something unique and extraordinary. Through hands-on learning and original thinking, students will be inspired to develop and grow – as they build towards their future career. The university ensures that graduates have both the theory and practical experience they need to do incredible things around the world.

Why choose the University of New South Wales?

- ✓ Learning from academics that are recognised as global leaders in their fields and working in world-class facilities, students will interact with industry leaders and apply the latest research in the real-world.
- ✓ UNSW has state-of-the-art facilities that are all made to be accessible and welcoming whether it's the cafes, shops and libraries or the variety of clubs, societies and support services.
- ✓ In 2018, UNSW awarded more than 81 million dollars in scholarships over that past year.
- ✓ UNSW is a founding member of the prestigious Group of Eight (Go8) and the PLuS Alliance and is also a member of the Association of Pacific Rim Universities (APRU) and Universitas 21. UNSW is also the only Australian university to be invited to join the Global Alliance of Technological Universities.
- ✓ UNSW has educated four of the top 10 young rich listers in Australia (AFR Young Rich List, 2019)

Located on the south coast of New Zealand's North Island, Wellington is the country's stunning capital city. By choosing to live in Wellington, you have the opportunity to discover numerous places of interest including Wellington Harbour, Mount Victoria, Cuba Street and more.

The University of Waikato stands proudly on the world stage as a provider of future-focused, international education. Through their strong connections with local, national, and global industries, the university creates opportunities for students to apply their knowledge and skills in real work environments. Dedicated staff provide students with the advice and support they need to ensure their time at Waikato is successful.

Why choose the University of Waikato?

- ✓ Waikato Management School has Triple Crown status and is a member of an elite group of business schools worldwide, an international acknowledgement of excellence in business education. Accredited by AACSB, EQUIS and AMBA, only 1% of the world's business schools have met the strict standards of all three accreditation bodies.
- ✓ Two vibrant and friendly campuses in the cities of Hamilton and Tauranga. Small class sizes, on-campus accommodation, a dedicated international student support team and international buddy programme for new students.
- ✓ More than 2,000 industry placements and internships offered each year. Every undergraduate degree and a number of postgraduate degrees include work-integrated learning opportunities.
- ✓ Scholarships and bursaries up to NZ\$10,000 available for international students.
- ✓ International students can start their studies online and come to New Zealand when the borders reopen to international students. Bursaries and tailored support are available for all international students starting their studies from overseas

NCUK Progression to the University of Waikato:

- IFY** International Foundation Year (IFY)
- IYONE** International Year One (IYOne)
- PMP** Master's Preparation (PMP)

Hamilton is located on the northern island of New Zealand, with the beautiful Waikato River running through the city. Walking through the city is a wonderful experience with the opportunity to visit numerous places such as places the Hamilton Zoo and Waikato Museum. The Hamilton Gardens are a must see and present different styles of landscaped gardens making for an interesting and relaxing adventure.

Canadian Universities:

39 University of Alberta (Page 106- 107)

University of Alberta

The University of Alberta (UALberta) in Edmonton is one of Canada's top teaching and research universities, with an international reputation for excellence across humanities, sciences, creative arts, business, engineering, and health sciences.

Over 38,000 students study at UAlberta, including over 7,000 international students from 148 countries. The university and its people remain dedicated to the promise made in 1908 by founding President Henry Marshall Tory that knowledge shall be used for “uplifting the whole people.”

Why choose the University of Alberta?

- ✓ Many faculties offer paid co-op or work experience programs, enabling students to obtain valuable work experience alongside their degree.
- ✓ Over 450 student clubs and groups, combined with a very active Students' Union means there are countless opportunities to get involved.
- ✓ Incoming international students are guaranteed a place in one of UAlberta's 13 on-campus housing options.
- ✓ University of Alberta graduates have among the highest post-graduation employment rates in Canada.
- ✓ Tuition fees at the University of Alberta are guaranteed not to increase for the duration of your program.

State University of New York (SUNY) at Oswego

With a student body of 8,000 students, the State University of New York (SUNY) at Oswego is large enough to offer more than 120 programs of study, yet small enough for students to form quality relationships with each other as well as with the university's distinguished faculty.

Consistently ranked as one of the Best Value Colleges in the Northeastern United States, students at SUNY Oswego pursue bright futures through renowned programs in business, science, the arts, and more — and benefit from innovative interdisciplinary programs that cross traditional boundaries.

Why choose State University of New York at Oswego?

- ✓ The university provides and facilitates truly outstanding internship and co-op opportunities. Recent placements include NASA, Google, and IBM.
- ✓ SUNY Oswego offers a guaranteed \$9,000 annual scholarship for accepted undergraduate international students. Additional merit scholarships are also available, for a total possible combined scholarship amount of \$14,000 per year for first-year undergraduates.
- ✓ With over 200 student-run clubs and organizations, SUNY Oswego fosters a vibrant campus culture that allows students to grow both academically and socially.
- ✓ Located on the scenic shores of Lake Ontrario, students enjoy a peaceful atmosphere on SUNY Oswego's nearly 700-acre campus.

St. George's University, Grenada

St. George's University has been providing the world with highly trained doctors for more than 40 years, and has an extensive international network of over 18,000 MD alumni around the world. Our graduates have been licensed in all 50 US states and Canada and have practiced in more than 50 countries around the world. We offer four-, five-, six-, and seven-year Doctor of Medicine (MD) programs to applicants from any education system around the world.

SGU has a large network of 70+ affiliated hospitals and health centers in the US and in the UK, and therefore all eligible students complete their clinical rotations in either of these two countries. The Doctor of Medicine (MD) degree SGU offers is an internationally recognized, postgraduate degree that is prevalent in the US and Canada, and recognized in many other countries including the UK.

Why Choose St. George's University (SGU)?

- ✓ SGU is the #1 provider of doctors into first-year US residencies for the last 11 years combined. Over 1,110 US residencies in 2020...and counting.*
- ✓ SGU has over 18,000 graduates in medicine who follow the philosophy of global education and apply their education at home and abroad.
- ✓ SGU international students—from 46 countries—had a 97% first-time pass rate on the USMLE Step 1 in 2019.**
- ✓ As part of their postgraduate training, SGU medical graduates complete a residency, which is additional training in a clinical setting such as a hospital or clinic.

*Data as of September 2020

**Data as of September 2020; includes non-US/permanent residents

NCUK Progression to St. George's University:

IFY International Foundation Year (IFY)

The island of Grenada, with a population of 11,000, is located in the Caribbean, northeast of the coast of Venezuela.

This unique study location is a place of natural beauty, featuring breathtaking beaches, beautiful rainforests and friendly communities to welcome you to the Grenada lifestyle.

St. George's is the capital of Grenada, with a large number of its population being made up of international students who are studying medicine. This means that you won't go short of making friends with fellow international students as you embrace the Caribbean lifestyle and begin your once in a lifetime experience.

Awards and Achievements

SGU is the **#1 provider** of new primary care physicians in the US.*

*Data as of August 2019

92% of eligible international (non-US) SGU 2020 graduates who applied for a postgraduate position in the US, obtained one at the time of graduation.*

*Data as of September 2020. International graduates are non-US citizens or permanent residents.

SGU graduates have practiced at all **Top 20 US Hospitals**.*

*According to US News and World Report, 2020-2021

University of Southampton Malaysia

The University of Southampton established a branch campus within the EduCity development in Iskandar Malaysia in 2011 to enable more students to experience its world-class education. University of Southampton Malaysia's (UoSM's) premier undergraduate MEng Mechanical Engineering, MEng Aeronautics & Astronautics and MEng Electrical & Electronic Engineering programmes allow students to study using some of the latest research facilities and equipment in the world and put the theory they learn into practice to deliver real results.

Why choose the University of Southampton Malaysia?

- ✓ Value for money (save up to 70% on the cost of our UK-based programmes).
- ✓ Small group teaching (a high staff to student ratio).
- ✓ Excellent scholarship opportunities – our graduates have gone on to work for companies including General Electric, BP, Rolls-Royce, Dyson, Panasonic, Intel, and Deloitte.
- ✓ Generous scholarship opportunities.

The university campus is located in the city of Nusajaya in Johor, a Malaysian state in the South West of Malaysia close to the border of Singapore and a few hours' drive away from the country's capital city of Kuala Lumpur. Students will find the campus easily accessible especially as it is close to two international airports, Singapore Changi International Airport (SCIA) and Senai International Airport and they can visit the city of Johor to experience theme parks, palaces, temples and more.

STUDY MEDICINE AT QUEEN MARY UNIVERSITY OF LONDON, MALTA CAMPUS

Study Medicine in the beautiful island of Malta. The five-year Medicine MBBS programme offers you the same curriculum that is taught at Barts medical school in London. Students are awarded a Medicine MBBS from the prestigious Queen Mary University of London (Barts and The London School of Medicine and Dentistry), a member of the Russell Group which represents 24 leading research-led universities in the UK.

Students are taught in Malta by staff from Barts and The London School of Medicine and Dentistry (Queen Mary University of London's medical faculty) and local clinicians trained by the School. You'll gain the Barts and The London

medicine undergraduate experience while living in the Mediterranean. This is a first-class place to study medicine abroad.

Malta, located in the Mediterranean Sea, is an island with a diverse community, English speaking regions and a warm climate making it an excellent study destination. Students can embrace the island lifestyle by lounging by the beach, explore the sea by going diving and partake in the finest Maltese cuisine. For students who progress to Queen Mary in Malta, they will have an excellent time living and studying on the beautiful island of Malta.

For more information visit:

UNIVERSITY OF KENT IN BELGIUM AND FRANCE

University of
Kent

The University of Kent has two campuses on the Europe mainland in Brussels and Paris. These options are exclusively for postgraduate students who are able to study their full or part-time with many degree programmes offering dual UK and European qualifications (international double awards).

Students studying in Brussels can choose to study programmes such as International Relations, Human Rights Law and Political Strategy and Communication whilst students in Paris can study

programmes such as Architecture and Urban Design, Creative Writing and Film.

Brussels is the capital city of Belgium in Western Europe. The city has many places of interest including Grand Place (the city's main plaza) with its incredible architecture, the Belgian Comic Strip Center featuring the history of the country's cartoons and comic strips, and the European Parliament building. With such fascinating places to visit, studying in Brussels can allow students to find out much more

about the country's past while working towards their future.

Paris, France is located south of Belgium and is an internationally renowned city. Students can enjoy their time in the city by visiting the historic Notre Dame Cathedral, sightseeing via a cruise on the River Seine and checking out the beautiful Palace of Versailles located just outside the city centre. Studying abroad in a city like Paris will be an unforgettable experience.

The NCUK Student Support Team always acts in your best interests and provides you with expert guidance every step of the way.

How can the NCUK Student Support Team help you?

The NCUK Student Support Team offers a number of services that will help throughout your time at your Study Centre and prepare you for university.

THIS INCLUDES:

How to write a personal statement

Submitting university applications

Applying for university accommodation

Support with the visa process

University Applications

The NCUK Student Support Team is able to guide you throughout the entire university application process and will be able to provide support to confirm your university choice as well as alternative options if you are unsuccessful in gaining a place at your first-choice university.

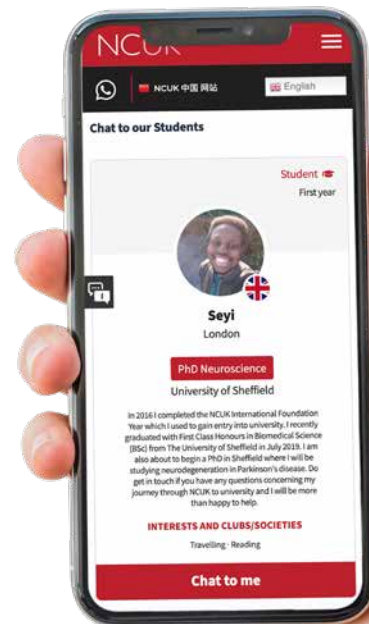

To find out more information or to get into contact with the NCUK Student Support Team, please email student@ncuk.ac.uk.

Chat to our student ambassadors

One way in which you can find out more information about NCUK and university study is by talking to NCUK Ambassadors! Ambassadors are alumni of NCUK who are now studying at university.

By visiting www.ncuk.ac.uk/chat-to-our-students you will be able to:

- Ask ambassadors any questions that you may have such as queries on studying at university, or what they did when preparing to study abroad.
- View images and videos that ambassadors have posted on a variety of subjects.
- Take a look at FAQs that have been answered by ambassadors that could help you as you progress through your journey to university

NCUK Prize Awards and University Scholarships

NCUK, in collaboration with NCUK Universities and the Northern Consortium Charity, is pleased to present a wide range of NCUK Prize Awards and attractive university scholarships

NCUK Prize Awards

Each year, NCUK awards prizes to students with the best academic results from the NCUK Global Network. The annual prize fund exceeds £50,000 and individual academic merit prizes range from £50 to £1,000. NCUK hosts an annual Prize Award Ceremony in the UK during November to showcase the achievements of the top students.

NCUK University Scholarships

NCUK Universities offer a wide-range of attractive scholarship packages for NCUK students on a range of degree subjects. Many of the scholarships are exclusive to NCUK and some are automatically awarded.

“
Receiving the award of outstanding achievement and entering my top-choice university has been my greatest achievement.
”

Nicole Denise Guinard Barron, NCUK Prize Award winner in 2019 from Peru who progressed to the University of Leeds to study Fashion Marketing

Become part of the NCUK Alumni Network: NCUK Connect

NCUK has helped over 35,000 international students, just like you, progress to university and start their careers. If you choose to study with NCUK, you'll not only get a world-class education but you'll also become part of the NCUK alumni network.

We have an exclusive platform, NCUK Connect, which allows our students, alumni, staff, and universities to network with each other, share job opportunities, reconnect with old classmates and much more!

WWW.NCUKCONNECT.COM

You can also use this new platform via the NCUK Connect mobile app – providing you with direct access to the platform and all of its exciting features, in the palm of your hand.

Download the app on Android or iOS:

For Android users, please enter the Google Play store and search for 'NCUK Connect'. Once downloaded, open the app and sign up.

For iOS users, please enter the App Store and search for 'Graduway Community'. Once downloaded, open the app and search for 'NCUK' under institutions. Once this has been done, you will be able to sign up.

If you have any problems or issues signing up, please contact together@ncuk.ac.uk.
